

TOWNTONIC

Here at Town Tonic we have designed a drinks list that reflects the passion and décor of the venue.

As well as having a focus on locally produced New Zealand wines and beers, we have created a cocktail list made up of twists on modern classics that will complement our meals.

Be sure to check with our staff or on our large blackboards to hear any specials or their personal recommendations- There is something for everyone here.

Keep an eye out for our special degustation evenings, wine evening, live music, cooking demonstrations and any other events we run. Follow us on Facebook or Instagram.
